**NEW GENERAL CONTRACTING AND CONSTRUCTION MANAGEMENT COMPANY OPENS IN LAKE IN THE HILLS
Building Client Value Through Integrity**

LAKE IN THE HILLS, ILLINOIS September 10, 2013 O'Neil Building Corporation, a General Contracting and Construction Management Company that services the Chicagoland Metropolitan Area has found its home in a new 2,400 square foot office in the community of Lake in the Hills. They are located off of Pyott Road, at 1531 Imhoff Drive, Suite A. Their scope of services range from pre-construction to new commercial construction. O'Neil Building Corporation's mission is to provide customers with the best value and workmanship for every dollar spent. They plan to bring jobs to Lake in the Hills by assembling a first-class team committed to working with the client and other industry professionals, to deliver projects on-time, within budget and built to specifications.

Arthur F. O'Neil is the founder and President of O'Neil Building Corporation. He spent 27 years of his career working for his family's company, W. E. O'Neil Construction Company, an ENR top 100 National Contractor. His extensive work history expands over project completion in six states – California, Arizona, Nevada, Colorado, Michigan, and Illinois.
